

Montezuma Alliance for the Restoration of Species & Habitats

Department of Environmental Conservation

Montezuma National Wildlife Refuge

Help Us Give Montezuma Wildlife a Better Place to Live!

MARSH! is part of a larger effort to restore, protect, and enhance wildlife habitat on nearly 50,000 acres in the Montezuma Wetlands Complex.

This **VOLUNTEER** program supports the habitat restoration efforts of the United States Fish and Wildlife Service, New York State Department of Environmental Conservation, Montezuma Audubon Center and other partners at Montezuma.

This group works on controlling invasive species in grassland, shrubland, forest, marsh and river. The work is hands-on as we monitor, cut and pull invasive species & replant and monitor natives that will be more beneficial to wildlife & less harmful to Montezuma habitats overall!

MARSH! work days run 9:00AM to 1:00PM
Lunch provided by the Friends of the Montezuma Wetlands Complex

July

Wed., 7/6 @ MAC/DEC
Water Chestnut Pulling

Wed., 7/13 @ MAC/DEC
Water Chestnut Pulling

Sat., 7/16 @ MAC/DEC
Water Chestnut Pulling

Wed., 7/20 @ REFUGE
