

Montezuma National Wildlife Refuge

Late summer is an exciting time on the refuge if you are looking for shorebirds! Their long journey from the tundra to their wintering grounds calls for a stop at Montezuma to rest and feed, giving us a chance to view them.

Through this series of guided walks, you will join expert birders, go into an area otherwise closed to the public, and best of all, get closer looks at these amazing birds!

Saturday, August 12, 7 am

Led by: Dave Nicosia, Cayuga Bird Club

Saturday, August 26, 7 am

Led by: Dave Nutter, Cayuga Bird Club

Saturday, September 2, 7 am

Led by: Dave Nicosia, Cayuga Bird Club

Saturday, September 9, 7 am

Led by: Dave Nicosia, Cayuga Bird Club

Saturday, September 16, 10 am

Led by: Mike Tetlow, Rochester Birding Assoc.

For each walk, meet at the Refuge Visitor Center, 3395 U.S. Route 20 East, Seneca Falls, NY
